North Hempstead Supervisor Judi Bosworth and the Town Board are proud to announce the 8TH Annual Recycled Artwork Contest! The winners will be on display for one month at the "Yes We Can" Community Center in Westbury with a reception on December 12.

Eligibility

To be eligible for consideration, the submission must be made by a student or group of students enrolled in one or more schools in the Town of North Hempstead. Only one submission per student or group is permitted. Submissions must be original works.

Format

Entries must use primarily reclaimed or recycled content (**NO GLASS**). Use of new or unused materials in large amounts, or in ways that are central to the theme of the piece may render artworks ineligible for award or display. All pieces must be ready to hang or display. **Each piece must be labeled** with the students name, grade, school, materials used, a brief description and title.

****Upon submission, all entries
become the property of
The Town of North Hempstead.***

***IMPORTANT:**

**Please refer to entry form for more details if
students would like their artwork returned!**

Review Criteria

Entries will be judged based on relevance to the theme, originality, recycled materials used, appeal, presentation and persuasiveness. Entries will be judged by the North Hempstead Arts Advisory Committee. The committee retains the absolute right to select the winning artwork based on the reviewed criteria. All entries are subject to the North Hempstead Arts Advisory Committee's decision. The determination of the committee is final and shall not be reviewed.

The entry form, release and certification consent by a parent or guardian of each individual student must accompany each submission. Failure to submit an entry form and/or general release will bar consideration.
